Technology Manager
The Reader is looking for someone who will be excited about using tech and apps to take our website, digital platforms, and tools to the next level. This position will build solutions to help meet the *Chicago Reader* and RICJ's strategy and audience growth goals and transform the best ideas and designs into the best possible infrastructure. Our ideal candidate is able to talk to both the strategists and designers, and make their ideas for growth come to fruition. This individual must be creative and tenacious in working with support teams from WordPress (and other third-party software from all *Chicago Reader* departments) to help get things done to support our vision and goals. They will be nimble, working on SEO tactics with writers and editors one moment, and pivoting to troubleshoot Mailchimp and Salesforce integration issues in Development or Sales. They will ensure RICJ's computer hardware, software, database management systems, and cloud-based servers are working properly, train staff on operating software, and oversee the installation of hardware and software. Read the rest of the job description and submit an application at <https://chicagoreader.com/reader/careers/#technology-manager>

PROFESSIONALS & SERVICES

CLEANING SERVICES CHESTNUT ORGANIZING AND CLEANING SERVICES: especially for people who need an organizing service because of depression, elderly, physical or mental challenges or other causes for your home's clutter, disorganization, dysfunction, etc. We can organize for the downsizing of your current possessions to more easily move into a smaller home. With your help, we can help to organize your move. We can organize and clean for the deceased in lieu of having the bereaved needing to do the preparation to sell or rent the deceased's home. We are absolutely not judgmental; we've seen and done "worse" than your job assignment. With your help, can we please help you? Chestnut Cleaning Service: 312-332-5575. www.ChestnutCleaning.com
