**Bi-Lingual Health Educator** Center on Halsted is seeking to hire several Bilingual Health Educators. Once hired, individuals will be trained to provide HIV and HCV testing, pre- and post-test counseling, PrEP education, linkage to care and client referrals. Health Educators are responsible for delivering both reactive and non-reactive test results to clients. Health Educators work with clients to decrease their risk for contracting HIV and STIs and provide health education related to safer sex practices. Applicants must be bilingual in Spanish and English. Training for this position will be administered through reading, online training modules, and hands-on training activities. This position requires a working knowledge of Microsoft suite programs. This is a full-time, On-Site position with benefits. Candidates can apply at the following website: <https://www.centeronhalsted.org/careers.html> Center on Halsted is the Midwest's most comprehensive LGBTQ community center dedicated to advancing community and securing the health and well-being of the Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) people of Chicagoland. Center on Halsted is an Equal Opportunity Employer
